October 2018

CALL OUT

To celebrate its 50th Anniversary CIOFF® is looking for a choreographer to create a dance routine that can be performed at every CIOFF® Festival and at CIOFF® World Folkloriada 2020 in Ufa, Bashkortostan, Russia

The dance routine should be such, that it could be adopted, to be performed by any number of groups, from 5 till 50. The routine should be in traditional dance style.

It must be performed in the national costumes of the dancers.

The number 50 should appear as a figure at the end of the routine if possible.

The routine should not be too difficult so that each festival could easily adopt it to be rehearsed and performed by the participating groups in festivals around the World.

The dance routine needs to be choreographed to a rhythmic and catchy piece of music, for example Polka or Waltz, which can be repeated till up to 50 groups have finished the dance.

To apply, please make and email with the link to your video (5 Minutes), showing the finished choreography with the music and showing the steps/figures to be made by the performing, participating groups.
